

Report on review of the condensed interim consolidated financial information

To the shareholders of Cordia International Zrt.

Introduction

We have reviewed the accompanying condensed interim consolidated financial information of Cordia International Zrt. (“the Company”) and its subsidiaries (together the “Group”) which comprise the condensed interim consolidated statement of financial position as at 30 June 2022, the related condensed interim consolidated statement of profit or loss and other comprehensive income, the condensed interim consolidated statement of changes in equity, the condensed interim consolidated statement of cash flows for the six-month period then ended and the notes to the condensed interim consolidated financial information comprising significant accounting policies and other explanatory information.

Management is responsible for the preparation and presentation of this condensed interim consolidated financial information in accordance with IAS 34 “Interim Financial Reporting” as adopted by the EU. Our responsibility is to express a conclusion on this condensed interim consolidated financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, 'Review of interim financial information performed by the independent auditor of the entity'. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim consolidated financial information is not prepared, in all material respects, in accordance with IAS 34, “Interim Financial Reporting” as adopted by the EU.
